7 Section 1. Section 41-563.05, Arizona Revised Statutes,
8 is amended to read:

9 41-563.05. Alternative population estimate; border
10 counties

11 A. In lieu of the population determined by the department
12 of economic security for purposes of computing a county's
13 expenditure limitation under section 41-563, the economic
14 estimates commission shall use, as an alternative, an attributed
15 population that is computed pursuant to this section for any
16 county that is adjacent to a foreign country and that has a
17 census population of less than two hundred thousand persons
18 according to the most recent United States decennial census.

19 B. The alternative attributed population is the estimated
20 population determined by the department of economic security for
21 the fiscal year plus ~~one-fourth~~ ONE-HALF of the daily average
22 number of persons who lawfully crossed the international border
23 into and out of the county during the calendar year preceding
24 the start of the fiscal year, according to statistics compiled
25 by the United States customs service.

26 C. The alternative attributed population has no other
27 official validity than for computing a county's expenditure
28 limitation under this article.
